Goblins in Flight For The Backward Dance To Be Tonight

Well, tonight's the night! The goblins will appear a little early and the witches will fly before they're supposed to; but, all in all, they'll be harmless. For all they will be tonight are cardboard and crepe paper, and they will be hanging in College Hall. They're the decorations for the up and coming Backward Dance which will climax this Men and Women's week.

The shindig will begin at 8:30 p. m. with the merrymaking lasting to 12:30 a. m. Since Halloween is so close, the dance committee has decided to carry it over to be the dance theme. But instead of wearing the costumes the kids wear on Halloween night, the dancers will be attired in dressy sport clothes.

It is doubtful the dancers will be bored during the intermission; but, just in case, a little entertainment will be provided. Ed Scharaf and Rae Vackar have been working to polish their dance routine, and it may prove to be one of the evening's highlights.

Just so everyone won't get too hungry and thirsty during the evening, refreshments will be served in the Student Club. And there won't be any trouble in re-entering the Hall.

Larry Wolf, who has played for different high schools and colleges in the district, will be on hand to provide the music for the gayest dance of the year.

Monarchs Choose Rocha For New Yell King; D. Serzow, Song Leader

Art Rocha was elected as Yell King last week at a general election. Balloting was held Thursday and Friday. Rocha, who graduated from Van Nuys High School with the class of S'49, was one of Van Nuys' outstanding yell leaders during his tenure of office in 1948 and 1949.

When asked what he intended to do about getting more spirit into the college yells, he replied, "The spirit is there. It just needs to be brought out, and I'll do my best to accomplish just that."

His plans for the future include the organization of a functioning Pep Club and a drive to get more students to travel to our games.

Diana Serzow was elected as head song leader at the election with Doris Schaeffer, Phyllis Barskey, Michele Arons, and Sally Crassweller as her assistants. The girls are at present trying to decide whether they should wear uniforms to the games or matching pullover sweaters and skirts.

Hugh Houseman and Barry Thomas were unanimously elected as assistant yell leaders.

The tryouts for the various positions were held at a general assembly of the Associated Students last week in College Hall.

The highlight of the assembly was the introduction and singing of the new college Alma Mater, directed by Richard Knox, music instructor, who was assisted by the Valley College Band and Chorus.

CLUBS CHOOSE ENTRANTS FOR QUEEN CONTEST

"And the Queen shall reign," but who will be queen? Or perhaps the story should be headed "Calling all clubs!" The queen contest is under way with only one participant so far. Deadline is next Thursday, Nov. 2, and suspense and wonder is enveloping students all over the campus.

June Kroutil has been chosen as the entry for the French club, and is the first official contestant as yet. All clubs who want to enter contestants should obtain an application for the contest from either Ed Austin, Lettermen Club president; Dick Yamashita IOC chairman, or ask in Mrs. Nena Royer's office.

The Lettermen Club is in charge of the affair and is bringing in off-campus judges. There are no restriction except that entrants must attend Valley.

Clubs are asked by Yamashita to meet and decide their entrants so that preparations for the event may be completed.

Artists To Show Work at Library

Exhibition of Valley College's art students' work at the Van Nuys Library, will begin Nov. 1 and extend through Nov. 30.

Miss Marie Scott, art instructor, states: "I would like to see Valley's potential artists seek this opportunity to show their paintings and crafts. I hope we can establish a fine organization and select a service committee to charter future activities. Dates will be posted and further information may be obtained from either Richard Nystrom or myself." Mr. Nystrom is also an art instructor at Valley.

The paintings that are to be exhibited were done this semester with the exception of a few done last spring.

Society To Show 'Three Musketeers' In H. S. Auditorium

Continuing with the series of early film greats, the Film Society offers "The Three Musketeers" starring Douglas Fairbanks Sr. at the Van Nuys High School Auditorium tonight at 8 p. m.

The popular story of the three adventurers is a saga by Alexander Dumas. Howard Woolfan, the society's supervisor, commented that this is one of Fairbanks' most famous pictures and that it is typical of Fairbanks' style.

The film shown at the last presentation, which was "The Story of Gosta Berling" with Greta Garbo, was attended by about 60 viewers.

Tickets, which are sold at the college bookstore, can also be obtained at the door. Mr. Woolfan again stressed that this activity is a community affair and that everyone is invited.

Royer, Olson Receive Administrative Honor

Honor come to Valley College last week as Mrs. Nena Royer, Dean of Activities, and Mrs. Velma Olson, of the Secretarial Science Department, were appointed to a committee for compiling an examination for junior college secretarial science instructors.

The appointments came from Dr. E. J. Hills, who is in charge of the personnel department for selecting instructors for junior colleges in the Los Angeles City School System.

Mrs. Royer, who was selected as chairman of the committee, has served on examining committees in the following categories: library; psychology; biology; public speaking; drama and social studies.

All applicants for the position of junior college instructor must take an examination on the subject matter of the course in which they are qualified and two oral examinations, one on training and experience and one on personality. The written examination is based on approximately 60 percent subject matter and 40 percent general gnowledge.

Sigma Tau Sigma Honorary Society Presents Town Hall Forum Tuesday

Sigma Tau Sigma, Social Science Honorary Society, presents a Town Hall Forum Next Tuesday at 11 a.m. in College Hall.

"The Far Eastern Policy of the United States" is the topic that will be discussed. Serving on the panel will be four speakers who represent various backgrounds. With these differences in mind, each speaker will present his views on the subject.

Members of the panel are Dr. Philip Schlessinger, political scientist from L.A.C.C.; Mr. Philip Clarke, mathematics instructor at Valley College and Mr. John Penery, member of Valley's psychology department. He will describe socio-psychological implications; and Mr. Linford Riley, UCLA graduate student.

Mr. Leonidas Paolino, Valley biology instructor, will act as moderator.

"The panel is coming at an opportune time in view of the fact that general elections are about a week away. Students and the general public are vitally interested in the United States' policy in the Far East. The public is invited. The panel was chosen to provide both views of the question, administrators and students," stated Mr. Donald Prisman, sponsor of the Sigma Tau Sigma.

Five Delegates Represent Valley At Sacramento

Delegates from Valley College's Student Council are representating Valley at the California Junior College Student Government Convention being held this week at Sacramento.

Those delegates attending are: Mike Seeger, Associated Students president; Dick Yamashita, AS vice president; Shirley Holt, AS secretary; Kathy Moore AWS president; and Robert Lunsford, last semester's AS president and ex-officio member of the Student Council.

Primary objectives of the representatives attending the conference are to present the problems decided upon at the Regional Conference at Compton College the first week in October.

These problems included: 1. Improvement of the Secretarial School set up for compiling, checking and distributing minutes of the State Conference. (According to Seeger, "During the past semester the minutes would not be received by the colleges until late in the semester. Valley's main purpose is to present a plan whereby minutes of the State Conference will be of some assistance to the Associated Students of the member colleges.")

2. Publicity: the problems of off-campus publicity and advertising.

3. What should be included in a curriculum for general education for junior colleges.

4. School Spirit: problems in school spirit, veterans' participation, inter-club council, alumni and laxity of student interest in student government.

Directions to Game

Here are the directions to tomorrow's game at Porterville — presented by Mike Seeger with the help of Noel Korn, English instructor.

Follow Highway 99 to Bakersfield. Turn right on Highway 65 a few miles north of Bakersfield. Continue on Route 65 until Porterville looms in front of you.

President Praises Valley Alma Mater

"In my estimation Valley College's new Alma Mater is a significant piece of art, and I believe students will grow to love the song. It will serve as an inspiration to students who will attend, are attending, or who have attended Valley," commented Mike Seeger, Associated students president, on the Alma Mater with original words by Richard Knox, Valley music instructor and music by Franz Joseph Haydn.

Athletic Group Announces Plans

Karl von Poederoyen, temporary chairman of Valley College's Athletic Commission, announced today some of the future plans of that organization.

A better insurance plan for athletes and complete student control of the concessions at the football games and other athletic events are two of the commission's aims.

However, reported von Poederoyen, the commission's chief enterprise at the moment concerns the conference ruling on post game dances. An attempt will be made to reverse this law sometime this month at a general meeting of all the conference schools.

Alpha Pi Epsilon Elects Officers To Begin Club

Officers have been elected for the proposed chapter of Alpha Pi Epsilon, national secretarial science honorary society. They are Nadine Wells, president; Shirley Holt, vice-president; Barbara Gaither, secretary; Pat McCloskey, treasurer; and Mardell Hasselblad, historian.

We Will Fight

How old do certain individuals have to be before they start acting like civilized human beings? Whether you know it or not, we here at Valley have a certain reputation to keep up—a reputation that will and must be kept up. The first students at this institution fought to obtain the recognition and respect of the community. Now we have it, and no one is going to deprive us of it.

It is a great feeling to be associated with Valley College. The spirit and pride that makes this college the fine place it is plays an important part in the growth of the school. The students and faculty who have made this growth possible certainly do not have to put up with rowdyism, either on or off campus. As members of the Associated Student body, you have a duty to perform—a duty not only to yourselves, but to Valley College and the community. This duty is to maintain and increase the respect, faith and admiration the people of the Valley have for anyone connected with Valley College.

In the last two weeks there has been a display of unbridled brutality on innocent citizens. The attacks on these people were entirely uncalled for, but, nevertheless, these so called "roughs" have to live up to their degraded imaginations. Perhaps they are mentally ill.

Isn't there enough war and hatred in the world without having to start "brawls" right here at home? If you must fight, fight to keep up the reputation of the college. All of us at this college are old enough to distinguish right from wrong. Use your brains for something constructive, instead of being destructive.

Valley College, the students and faculty, will not tolerate any person or group who causes any uprising. WE FOUGHT FOR RESPECT. WE WILL FIGHT TO KEEP IT.

—Richard J. McGowan

An Overview of Policy

By DR. VIERLING KERSEY

EDITOR'S NOTE: This is the conclusion to the article written by Director Kersey concerning philosophies underlying instruction at Valley College.

Student days at Valley College are memorable because

1. Personal relationships are dominant
   with administration
   faculty
   fellow students
   at time of registration
   every counseling contact
   each recitation.
2. Faculty members are personalities. They seem to care if the student does not get along in class,
   he fails,
   things just go bad,
   or he succeeds. They enjoy his success with him.
3. High standards are a "must."
   Poor work is not acceptable.
   "Bluff" is out.
   "Getting by" is not enough.
   When a student "hits his stride," good grades are not any more out of reach than poor grades are easy to get.
4. Regular and punctual attendance is required. Nothing is more perishable than that which takes place in the class missed. The one thing that licks more college students than any other thing is "carelessness"—carelessness about:
   being present every recitation,
   being on time to class and with assignments,
   paying attention to directions, explanations and assignments.
5. There is no substitute for effort. Nothing worthwhile comes about without "effort," "trying" and "struggle." The second greatest cause of failure of college students after "carelessness" is "effortlessness." No college learning is worth having that has not been earned by diligent effort.
6. At Valley College each must guard his habits.
   Health habits come first. Good health habits come nearer guaranteeing good health than all the medicine and treatment in the world.
   Habits of good use of time come next. Valley College will never let a student waste, abuse or throw away time
   He must have a constructive set of habits for filling his time, not merely a plan, but a plan that works in the form of a habit. Habits of conduct are the foundation of happiness.
   Let's be "cheerful"
   "courteous,"
   "characterful."
7. Americanism always—not that American idealism cannot be improved, but that Americanism can never be replaced by any other "ism."
8. Valley College students know:
   There is a difference between high school and college.
   That they must do some careful and definite-time planning.
   The importance of personality.
   Study and how to do it.
   Wholesome and balanced living.
   Books, sources and a lot about "finding out."
   The meaning of assignments.
   Ways to be happy and not dissipate energy.
   The place of athletics and social activities in college life.

The Valley Forge

By BILL TUNNELL

"The Case of the Missing Petition" or was it just a nasty rumor that I heard around campus to the effect that a petition was being signed to force Bob Lunsford to resign from the trip to Sacramento? This trip to Sacramento, to those who haven't heard, is to represent Valley College at the California Junior College Student Government Convention.

Who could best represent us at said conference? The Student Council thought Bob Lunsford could, along with the other members: Mike Seeger, Dick Yamashita, Kathy Moore and Shirley Holt, but a few individuals didn't happen to like Bob so they started this little petition.

These same individuals, made up mainly of one off-campus fraternity, had their chance at student government in Valley's first semester. One of their number was even elected Associated Students President. Did they accomplish wonders? They did a fine job, and this present administration can also do a fine job if we forget our personal differences and all work for the betterment of Valley.

The Student Council, although they weren't officially notified of the petition, decided to cast another ballot. I'm very glad to report that Bob again won a clear cut decision.

The one good thing that came out of the controversy was the drawing together of the Student Council. They could use it, too. The members were at ends over many problems, but from here on in I think we will have a smoother working machine. I hope so.

Congratulations

I bestow my weekly FORGE FAVOR on Art Rocha. Art, you showed both good sportsmanship and wise thinking in appointing your opponent, Jim Weigel, as your assistant cheerleader. Lots of luck to both of you.

In the Mood

By DICK McGOWAN

Yours truly was, shall we say, "awarded" the temporary chairmanship of the Music Club. At a meeting held last Thursday night at the home of Paul Trietsch, the members and their feminine companions met to vote on the club's constitution. Don Ingle presided over the meeting and read the constitution which was passed by a majority vote. It will be presented for approval during the week.

The Constitution was drawn up by Norm Poulshock, Gene Phillips, Whit Hatfield, Ingle and myself. A name has yet to be selected for the club but will be chosen at the next meeting. After the business end was taken care of, an impromptu jam session started.

Hal Brown on guitar, Poulshock at the piano, Ingle on trumpet, Trietsch at the drums and Larry Grismer on the banjo provided the entertainment. The "boys in the back room" also had a song fest. Harmony was the order of the night and harmony it was.

If this meeting was a sign of things to come, then the club is sure to be, not only a success, but a huge help to Valley College assemblies.

I believe the Chorus and Charles Knox deserve a big hand for their performance at last Thursdays' assembly. For the short time they have been together, their progress has been remarkable. If they keep going at their present rate, Valley College will have one of the finest choirs in Southern California.

Monarchs To Know

By LEO OFALI

Edward Clark was born in Rochester, New York, and received his B.S. degree in physics at Rochester University. In 1943 he entered the Navy and worked in the mine warfare and radar fields. He was discharged in 1946 with the rank of Lieutenant.

After his discharge, he worked on the proximity Fuse Development Project for the Naval Ordnance Division of Kodiak. He left in the fall of '46 and did graduate work for two years at UCLA, where he received his Master's degree. Mr. Clark taught at Cal Poly for two years before coming to Valley as a physics instructor.

His main social interests are tennis, skiing and folk dancing. He is quite an eligible bachelor.

In regard to Valley, Mr. Clark claims, "There is a wonderful feeling among the faculty for the students, and the students are very receptive to the faculty. As time grows on, our growth will be large, and I like this position better than any other so far held."

Herbert Gustav Schreiter

"Valley College is all tops" to Herbert Gustav Schreiter, engineering instructor at this school. "Being a resident near the college naturally makes my family and I great boosters," he said.

Mr. Schreiter has led a varied and interesting career before coming to Valley. He received his B.A. and M.A. degrees at Wisconsin and Chicago Universities, respectively, and has done graduate work at USC. He was refrigeratir engineer and worked for the California Edison Company for a time.

During World War I he did research and radio work and was Supervisor of the E.S.M.W.T. at USC in the last war. Married in 1922, he is the father of three; Naomi 25, Paul 22 and Mary 19. All attended North Hollywood High School.

Mr. Schreiter taught physics and engineering for three years at USC and for four years at L.A. City College, before transferring to Valley.

Sigma Tau Sigma Holds Semester Elections

Sigma Tau Sigma, social science honor fraternity of Valley College, is holding elections today and next week. Those full and associate members eligible to vote are: Richard Adams, Bob Baker, Berle Brown, Ray Carter, Chuck Castiglia, Dick Degnon, Eugene Mladineo, Larry Poston, Chuck Rabin, Jim Romaker, Mike Seeger, John Traller, Harold Wright, Ed Austin, Milford Bates, Bob Clodfelter, Marjorie Cooley, Sally Crassweller, Nancy Crisp, Helen Davis, Philip Diether, Marjorie Elliot, Dick Gifford, Robert Gray, Dellaine Hazen, Shirley Holt, Joyce Hoover, Roger Janetsky, Gene Kocol, Bob Lunsford, Jeanne Marcy, Glenn Rankel, Dick Reynolds, Earle Rogers, Duane Satterthwaite, Chuck Schroeder, Ruth Shields, Anabel Street, Ann Swigart, Bob Thomas, Roy Van Ittersum, Bill Wells, Jerry Westfall, Dick White, Ronald Woodware, Bill Tunnell, Joan Brask, Robert Acker, Laurence Adler, Chuck Allen, Scott Anderson, Lois Armstrong, Michele Arons, Diane Baker, Joan Barnhardt, William Barron, Kay Bettis, Ed Burnett, Shirley Byles, Arthur Frishman, Barbara Gaither, Andrew Gilmore, Barbara Grier, Irene Hansen, Edgar Hartman, Arthur Hernandez, Marylin Kendall, Jim Kinnu, Donald Leeb, Milton Lapes, Robert Lewis, Pat McCloskey, Keith Maxwell, Lieberg Meyer, Joyce Morgan, Bob Munsey, Betty Netzow, Wendell Niles, Shirlee Palmer, Marjorie Peck, Robert Perkins, Gloria Peterman, Thaddeus Pickett, Jim Quick, John Rice, Jack Schweinfurth, Wyatt Seal, Larry Severance, Bill Shaver, Pat Smith, Barbara Snelling, Birdie Lee Springfield, Don Stubbs, Nancy Tarr, Charmian Thomas, Dean Timm, Lupe Tostado, Clara Tripp, David Uhl, Rae Vackar, Larry Vogel, Karl von Poederoyen, Henry Weinshel, Flora Wells, Shirley Wertz and Billy Williams.

Additional information and details may be obtained from Donald Prismon, sponsor, or an active member of the STS.

Editor's Mailbox

Dear Miss Hazen,

Thank you for the issue of THE VALLEY STAR which was forwarded to this office in last week's mail. I want to congratulate you on the format as well as the contents of this very sparkling publication. I hope you will keep us on your mailing list.

Sincerely yours,
James G. Moran
Secretary-Manager
Van Nuys Chamber
of Commerce

Dear Editor,

Thank you for sending THE VALLEY STAR. It sure was swell to read about the events at Valley J.C. George Berger, John Miles and Bob Thomas are also in my company, and they enjoyed reading the school paper.

Monarchs Roll Up Early Lead But Weaken And Lose To Taft, 25-19

Valley College's football team came so close and yet so far from victory in the game with Taft JC last Friday night. The game, played on the winner's field, ended with the hometown Cougars on the long end of a 25-19 score.

The Valley boys started fast by scoring 19 points in the first quarter but could not keep up their early pace as they seemed to weaken as the game progressed. The first break in the game came early in the first quarter, and Coach Mann's men were quick to take advantage of it. On the first play from scrimmage a Taft fumble was recovered by Jerry Shutt on the Cougar 30. Four plays later quarterback Walt Ambord circled right end and went 22 yards for the score.

Baker Scores

A few minutes later a Taft punt was partially blocked on the Cougar 25 yard line. In seven plays the Monarchs added six points to their total, with the payoff play coming on a pass from Chuck Wiand to left end Bill Baker.

Following the third Valley kickoff, Taft marched to the Monarch 30 before Cougar end John Jones fumbled where Mike Sutalo recovered. With a Wiand to John Godfrey pass sparking the drive, Valley scored again, when right half Dick Dean circled his left end for five yards and the final Monarch touchdown. Ambord converted, and the first period ended 19-0 in favor of Valley.

Taft Rolls

But then the picnic was over, and Taft began to move. Finding the Monarch pass defense weak, Taft quarterback Roy Ottoson began to pass and hit right end Ken Buck for a touchdown good for 55 yards.

Valley left the field at half time sporting a 19-6 lead.

Early in the third period, Taft center Jim Leslie intercepted a Wiand pass at midfield and returned it 40 yards to the Monarch ten. A short pass from Ottoson to the left end Marshall Hogue was good for six points.

Ottoson Hits

Following the kickoff, Valley was penalized back to their own three yard line, and Ambord punted out to the 29 yard line. Seven plays later Ottoson jump passed to Buck in the right flat for the third Cougar touchdown. The kick for point by Hogue was not good, and Valley still led 19-18.

Erlewine for Six

The winning score came midway in the fourth quarter when Ottoson again pitched a short pass, this time to fullback Ed Erlewine, who went 50 yards for the score. Edsel Stalcup drop-kicked the final point.

Walt Ambord, Mike Sutalo, Grid Captains

Walt Ambord and Mike Sutalo were chosen co-captains of the Valley College football squad for the remainder of the grid season in a closely contested runoff according to Charles Mann, football coach.

The previous election held earlier in the week was so close as to necessitate a runoff between Ambord, Sutalo, Hugh Hawley and Jack Langford.

Ambord played his high school ball at North Hollywood High where he was an All-Valley tailback on the strength of his excellent running, kicking and passing. Upon his graduation he attended Cal Poly, where he was an important cog in their grid machine. Coming to Valley, he immediately established himself as the best back on the Monarch squad.

Mike Sutalo was a graduate of the institution across the street where he played under the tutelage of Jack McClintock. He then played for the Loyola Frosh team, lettering as a guard.

At Valley he switched to center, and his rugged style of play soon moved him up to the top spot in the center of the line.

New Officers Fill Ski Club Positions

Newly elected officers of the Ski Club are president, Jack Jevne; vice-president, Nick Borsay; secretary, Phyllis Barskey; and treasurer, Dawn Morlang.

The group will meet every Tuesday at 11:30 a.m. and plan to attend ski movies. "Ski Champs" will be shown in Royce Hall, UCLA campus, on Oct. 30, and "Deep in Light" will be shown Oct. 27 at the John Muir Junior High auditorium.

Football Schedule

Oct. 28—Valley at Porterville
Nov. 4—Valley at Bakersfield
Nov. 9—Valley at Glendale City College
Nov. 18—Harbor at Valley

By Brad Browne

Last Saturday afternoon I sat with my eyes glued to the television screen watching ex-Monarch **Bib Meyers** play for the Stanford Indians against the Bruins. Meyers was starting his first Pacific Coast Conference game although he has been playing regularly for the men from Palo Alto.

Meyers learned his football across the street, from "Smilin" Jack McClintock. He was All-Valley halfback in 1947 on the team that is rated as one of Van Nuys' bests. From there he went to Pasadena City College where he played fullback for two seasons. After PCC he came to Valley and spent a semester here.

Taft

In my estimation last week's game to Taft was lost because of one word which contains three syllables. Condition. 'Nough said?

Foreigners Go It

Speaking of football I just got back from watching the "Game of the Week." I'm speaking of the fracas between the Spanish Club and the French Club. Bob Eckes was the big hero for the men from south of the border by scoring 18 of his team's 24 points. Bill Knoblock also played a great game. For the Frenchmen, Wes Hessler acted like a dynamo with his sweeping end runs. Hessler is really a runner.

Getting back to Valley's gridiron participants. One of the men who plays a whale of a game every week is guard Bert Nitsch. Nitsch makes a lot of tackles in the middle of that line he never gets credit for. There is always such a big pile up in the middle that you never know who's on the bottom but you can bet your life (pardon the expression, Groucho) that Nitsch is always in there.

Murphy Leads Pickers

Roger Murphy, guest picker, continued to hold on to his lead in Pigskin prognostications as he came up with a 15 and 5 record off last week's games. Brad Browne is in second place, five games off the pace.

Bob Baker, AMS prexy and guest picker for the student body, brought the students above the 500 percentage mark with a 12 and 8 posting.

Valley Meets Porterville Tomorrow Night, Still In Quest of First Win

By DICK DEGNON

A bit discouraged after their 25-19 loss to Taft Jaysee last week after sporting a 19-6 halftime margin, Valley College will be gunning once again for its initial football win of the year.

Tomorrow night it will be Porterville, a football team that is always regarded high and has several wins to date. They topped Fresno Jaysee two weeks ago by a teedee in the last minute. The same Fresno eleven trounced Pierce Jaysee by three touchdowns.

Coach Mann's Monarchs seemed to tire in the final 30 minutes of play against Taft last week after looking like a revised edition of the 1950 Monarch grid machine that has looked so inept in most of their games to date. Pass defense was a noticeable defect in their attack. All of the Cougar's scoring was made from the aerial route.

Valley uncovered a new back in the personage of Vaughan Glasser. Glasser played the Taft tilt like it was his last one, showing considerable yardage in the rushing department. Glasser will be a sure bet to see more action in Valley's final three games. Another bright spot was the right half defensive work of Dave Sommers, who plays end on offense.

Chuck Wiand's passing game was way off; and, if the Monarch tosser could get back on, he could make it rough for Porterville.

Coach Mann refused to give out a starting lineup for tomorrow night's game indicating some possible changes in the Valley starting eleven.

Ventura JC Makes Local Basketball Appearance Here

Ventura Jaysee makes its first and only appearance of the year on January 30 at 8 p.m. in a basketball tiff with Valley College announced head Coach Ben McFarland this week.

Valley opens its 1950-51 basketball season against Taft Jaysee at Van Nuys High School on December 9. Valley students will long remember the Monarch's opener last year when McFarland's cagers edged the Cougars 58-56 in overtime in the first game in the college's history.

The Monarch court cavorters had their ups and downs last year, but this season things will be different according to Coach McFarland.

Thus far his squad of 22 players has been working out two days a week and will get down to the long grind next month. McFarland isn't eliminating any from his squad and is scrimmaging them regularly in order to find their potentialities. The Valley mentor doesn't plan to hack the squad until the later part of next month.

Greatness is a two-faced coin --and its reverse is humility.
Marguerite Steen

Staunch Rooters Attend Taft Game

In spite of the long trip, a few loyal Valley collegiates attended the Taft Game to cheer the men of the football team even in defeat.

Students attending "with bells" were: Bill Tunnell, Kaye Baker, Robert Lunsford, Dellaine Hazen, Rodney Ermine, Jack Rogers, Dick Degnon, Darrell Wells, Stuart Wiley and Karl Von Poederoyen. Mr. and Mrs. Walter Coultas and Mr. and Mrs. William McNelis were also in attendance.

Plans are under way for the trip to Porterville for most of the group. And, according to Mike Seeger, representatives attending the Sacramento Conference are also planning to stop by Porterville for the game on the way home.

HARRIES MEET OCCIDENTAL, MUIR, SATURDAY

Valley College's cross country harriers meet Muir and Occidental in a triangular meet tomorrom on the Oxy course.

Occidental will be paced by John Barnes, who placed in the NCAA 880 track finals, and Bob McMillan, who placed in the Olympic Steeplechase. Muir is expected to enter the meet with a mediocre team.

Participants for Valley include Jim Dickey, Western States Conference champion in 1948 for LACC. Dickey's time for 2.5 miles is a fast 13:29:00. John Garcia, Don Hoover and Ed Masry have times of 15:10, 15:27 and 15:40 respectively. Others who will wear the Green and Gold and Dwight Mobley, Wes Morris, Sheldon Auerbach and Clive Rogers.

Valley's team is up and coming and should garner some valuable front places for the Green and Gold.

Seniors Hit Monsieurs In Festive Fray; 24-6

By Marjorie Elliott

There's a famous saying kicking around which reads "revenge is sweet." And there is no better time than the present to bring it out in the open. The momentous occasion is the 24-6 score the Spanish club racked up against the French club in a fast moving football game. It was sweet revenge for the "Spaniards" since they were beaten last year by the "Monsieurs."

The first touchdown of the game and the only one for the "French fanatics" was made by Jack Jevne who played the complete game. Another "swordsman" touchdown was broken up by an intercepted pass near the goal.

Another intercepted pass, this time by the "picadores," enabled them to start their spurt of touchdowns when Bill Knoblock went the length for their first score.

From then on Eckes carried the ball for each one of the Los Amigos' tallies. A third intercepted pass, a lateral from Dick Saunders and his own recovered fumble, all enabled Eckes to score.

Playing "flag" football, the game proved to be a mixture of touch, flag and tackle with John Tatum protesting the tackling part all through the game.

On the whole, the game was good, with a good deal of exciting moments and a lot of fun for everyone.

Berets, Goatees Highlight Party

Berets, garters, slit skirts, sashes, goatees and mustaches floated in, out and about the John Tatum home last Friday evening at the costume party of La Societe du Lapin Agile.

Mr. Tatum, Valley French instructor and sponsor of the organization, entertained an estimated 40 members and guests.

Highlights of the evening were the official initiation of the club members, including the honorary member, Mrs. Nena Royer, dean of activities, and the selection of an entrant in the forthcoming queen contest for Valley's first homecoming. June Kroutil was chosen to represent Le Societe du Lapin Agile.

Valleyites attending were Ed Scharff, club president, Nancy Ohms, Guy Bensusan, Mary Lou Meyers, Marcia Kerner, Art Rocha, Barbara Ryan, Bert Dice, Nancy Tarr, Charleen Backus, Henry Winschel, Helen Davis, Pat Healy, Keith Maxwell, Ann Crosby, Clarke Williams, Mary Roberts, June Kroutil, John De Puma and Barbara Pierce.

DR. KERSEY ADDRESSES ROTARY CLUB MEMBERS

Dr. Vierling Kersey, director of Valley College, in addressing the members of the Rotary Club last week on the topic of "College and Valley Life," brought out in his talk several developments and opportunities at Valley.

Dr. Kersey pointed out the rapid growth of the College which is characteristic of everything else in the area. From a modest start of 225 students, the College has grown to over a thousand.

Also in his talk, Dr. Kersey noted the four purposes of the College, those being the availability of high standard college work near home in preparation for a university; advanced education beyond high school for employment; opportunities for general cultural improvement; and extension and evening study for specific interests.

Chuck Allen Hosts Valleyite Party

Guests attending a party at the home of Chuck Allen were Whit Halfhill, Gene Phillips, Jerry Grishen, Bob Knight, Tom Church, Dick McGowan, Don Miller, Hugh Hawley, Bob Hughey, Dwaine Lloyd, Stan Martin, Jerry Maxwell and their dates for the evening.

Ping Pong Finals Today; Men Star

All interest in the Valley's ping pong tournament is centered on the men's singles finals today.

The whizzes who have weathered the competition and have progressed to the finals are Nick Borsay, Wendell Niles Jr., Alan Feld, Bill Wiegman and Jerry Westfall.

The finals promise to be fast and furious as the men fighting for honors are smooth and clever.

Joyce Morgan, the director of the tournament, related that further play in the other fields would commence at the finish of the men's play.

Marilyn Peterson Has Slumber Party

Roller skating Friday evening and slumbering (?) afterwards at the home of Marilyn Peterson were Lois Armstrong, Ruth Esau, Margie Peck, Marilyn Hienz, Jenny Haverkampf, Betty Mood, Leslie Bowman, Barbara Bergersen, Gloria McCoy, Shirley Wertz, Muriel Brindamour, Dotty Hendrick, Jonnie Moore, Charlene Armour, Janice Cleveland, Dixie Drape, Donna Hiles, Marilee Lupien, Dawn Morlang, Linda Murrell, Charlene Plotner, Ruth Shields, Shirley Somers, Gloria Boder and Pat Seinhofer.

Also present were Adrienne Skellinger, Shirley Shilts, Rillis Hanna, Charleen Backus, Carol Bagley, Jane Crisp, Phyllis Henman, Barbara Hewey and Charlotte Attebery.

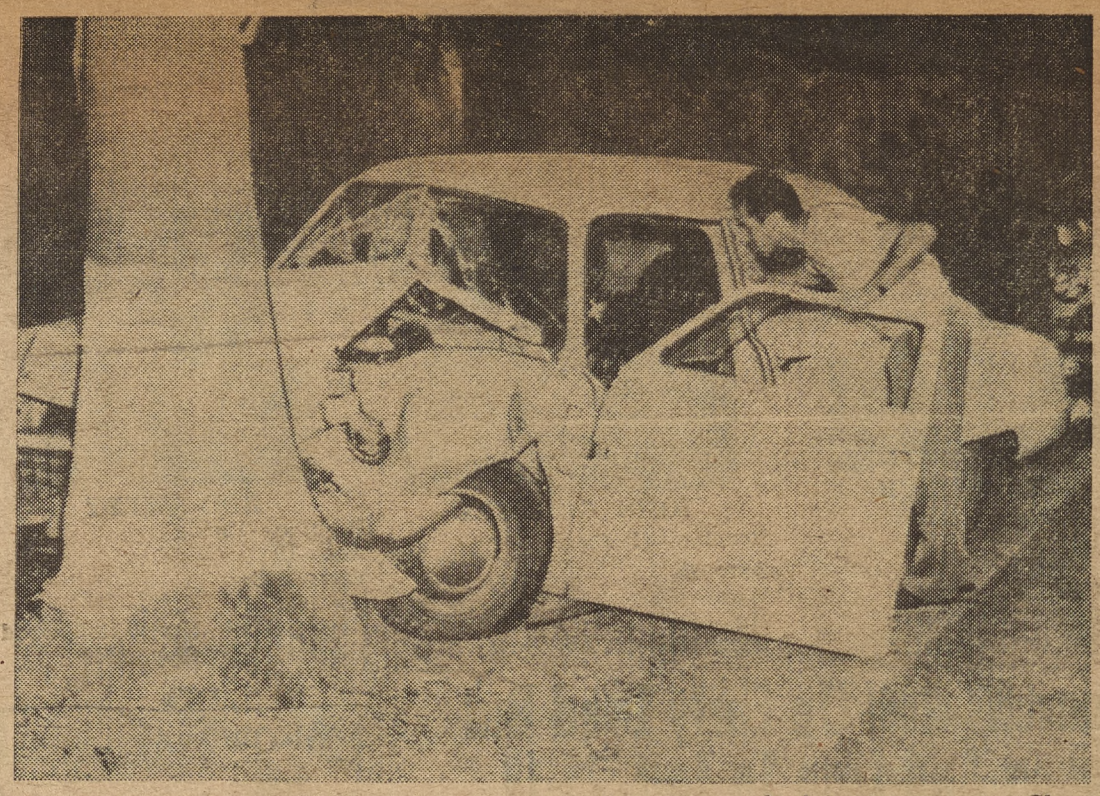
Betty Netzow Has Sunday Luncheon

Guests present at a delightful luncheon and card party Sunday at the home of Betty Netzow were Jackie McLoney, Sally Crassweller, Ann Crippen, Marilyn Morris, Sally Ames, Kathy Moore, Diane Baker, Bobby Price, Pat Brumgard, Michele Arons, Phyllis Barskey, Diana Serzow, Joanne Townsend, Carol Agular, Patti Hoffman, Gay Walding, Doris Schaeffer, Dorothy Baldwin, Rose Marie Rainero, Kay Bettis, Joan Williams, Marion Robbins, Barbara Mathy, Susan McPherson, Barbara Barton, Taffy Sherwood, Diane Cline and Pat Murphy.

Joyce Morgan Hosts Swim and Dinner Fete

Attending a festive swim party and buffet dinner Saturday at the home of Joyce Morgan were Carol Cole, Pat Coombs, Marilyn Kendall, Marty Hasselblad, Delta Miller, Barbara McGinnis, Dodie Joyce, Dee Yrigoyen, Thelma Brenneman, Nancy Bolin, Marcia Wynn, Betty Fletcher, Marylin Liddle, Lorraine Beyerholm, Irene Hansen and Joan Haas.

We still have it in our power to rise above the fears, imagined and real, and to shoulder the great burdens which destiny has placed upon us, not for our country alone, but for the benefit or all the world. That is the only destiny worthy of America. -- Helen Keller



PAT STANLEY was seriously injured when her car crashed into a tree on Sherman Way last Friday afternoon. —Valley Times Photo by Clark

Valley Student Patricia Stanley Injured in Automobile Accident

Anita Patricia Stanley, Valley College student, was seriously injured in a car crash last Friday afternoon.

The accident occurred on Sherman Way, about three blocks east of Sepulveda Boulevard. While the car was moving, the right front tire blew out and caused the auto to go off the road. It hit one tree and bounced off and crashed into another, completely demolishing the front end of the car. Miss Stanley was thrown from the car. She and her companion, Susan Stevenson, were taken to Van Nuys Receiving Hospital.

Miss Stanley's right knee was shattered, and she suffered a broken hip bone as well as numerous abrasions. She is now at St. Joseph's Hospital in Burbank. Miss Stevenson was treated for facial cuts, that required stitches, before being released.

Miss Stanley will be hospitalized for at least three weeks. Her fiance, Pfc. William Stevenson, received leave from Camp Pendleton, where he is stationed, to join her family.

Students Begin Psychology Club

Valley College psychology students are banding together to form a Psychology Club. Any Valley student who has completed or is now taking a course in psychology is eligible to join, stated Mr. Charles S. Marsh, instructor.

The tentative date for the first meeting is set for Nov. 2, and the purpose will be to elect club officers.

Main object of the club, cosponsored by psychology instructors Mr. Marsh and Charles Locks, will be to extend interest and further participation in psychology beyond that received in the classroom.

Activities will include timely discussions, outside speakers, field trips, social activities and other related activities.

Fashion Flicker

By SANDEE SLAKOFF
Fashion Editor

The first sporting signs of the new season are being seen; campus "cut-ups" have already used their imagination and their scissors to blaze the paths of fashion creation; and now, at last, every designer in the industry has a hand full of tricks to turn over to you.

THE HEAT'S ON

Did you know that in this very uncertain weather you can find a long, wool coat with a detachable plaid interlining that goes its own way with a change of the wind . . . or how about using this gay wrapper as a duster or study coat?

SHIRLEY WERTZ is just one of many co-eds who applauds the colorful handkerchief prints that are featured on wool, as well as cotton blouses and skirts. Her own particular version of fashion is a red and black handkerchief blouse with a deep fischu neckline and tie-up sleeves. KATHY MOORE had a similar idea in mind when she wore colorful cotton separates to class.

A NEEDLE OF KNOWHOW

Colors are peppy and prints are varied . . . but remember, not all the cremes of the crop are suitable for you. Detail on a plain, loose jersey dress is so right for the tall girl, but the multitude of "five foot four's" would be wiser to avoid bold design, screaming color, and chunky accessories.

Where you see smart fashion it's plaid . . . plaid . . . plaid, so come and be clannish! If you're planning to combine a campus schedule with a career girl position, you'll certainly appreciate the basic little plaid dress—what a glory it can soon be with only the flip of a fresh collar, or the wrap of a fringed stole.

And if you're thinking of wrapping holiday packages, do watch your own decor—nothing is more effective than bright finish on an otherwise dull exterior.

Y VISITS BOWL

Valley College's Student Y traveled to the Hollywood Bowl last week for the annual Y Day in Hollywood program. The group was entertained with an hour and a half program featuring many well-known celebrities.
